Well, it's Father's Day 2015 so this must be Camp Luther! Welcome one and all to the 70th edition of this "home away from home." And whether it's your first or fortieth year here, you can bet you will make new friends, have new experiences and create new memories that will be with you the rest of your life---just be ready when the opportunities present themselves. Never been on a creek stomp? Go! Want to participate in one of the sports tournaments? Sign up! Always wanted a blue, pink, and green bracelet made with paracord (though I have no idea why)? Get to the craft cabin and make it! This week we're studying *A Love that Never Ends*. But while the Love never ends, Camp Luther 2015 eventually will. So get out there and don't waste a minute!

## Hello, again!

**-from the Camp  
Luther Mouse**

Can you believe another year has come and gone already? I've missed the laughter, exciting activities, and conversations that go on when ya'll are here! I've heard your staff talking about all the fun things they've been planning for you this week. They've been working not stop since they got here yesterday. My cousins up north told me that a Junior Dean married his camp sweetheart last October - congratulations to the happy couple! Also, they told me that Bishop Dunkin is retiring this fall. What an amazing spiritual leader. He's been here for the past 36 years, 18 of which have been as the synod's bishop! I'm very excited to see a familiar camp face as the new bishop - Rev. Matthew Riegel! Will all the pastors have to start driving motorcycles and grow beards? I am very excited to spend another energizing week with my camp family! Welcome home!
